A little about Ewald Fichthaler

After finishing his chef apprenticeship in his hometown at the restaurant "Ritter" in 1987 German born Ewald Fichthaler amplified his knowledge at selected restaurants, like the Flair Hotel Adler in Pfullendorf, the Hotel "Rafael" in Munich, the RheinHotel "Fischerzunft" in Schaffhausen and Mosimanns Private Dinning Club in London. Trainings in Shanghai, Sydney, Singapore, Tokio and Yokohama added to his experience.

With a perfect symbiosis of high-class European cuisine and selected Asian delicatessen he is able to seduce his guests day after day at his stylish Marbella based restaurant NUEVA KASKADA. With the support of his experienced team Ewald Fichtthaler is stunningly able, with the variety of flavors, to make his own Signature Cuisine come true
