

# PORSCHE OWNERS CLUB ANDALUCIA

**The Hill Climb - Programme**

**April 23rd 2016**

**Meeting point: Ké's bar in Puerto Sotogrande at 10.30**

Leave the AP-7 in Sotogrande, follow the coastal road towards Torreguadiaro and exit for the Puerto. Through security gate, straight on, stay left of the canal, turn left at the end and find Ké's 100 m from the corner on the left.

## **To Estepona**

Exit the Puerto as you came, through security and just before tunnel take right up the hill, cross the village of Torreguadiaro and continue until you reach a roundabout, and carry on straight onto the A-7 . 15.2 Km and hit the Estepona roundabout, take right and follow the various avenues through the town, always staying close to the waterfront, for 4.3 kms. At the end of town, at the roundabout, take 3<sup>rd</sup> left up the hill, after 8 hundred meters, at traffic lights, turn right, continue for 300 meters and come to the blue bridge over the motorway.

## **The hillclimb**

Cross the bridge and roar your engines: this must be one of the best hill-climbs in the province – built for the Vuelta but equally good for Porsche petrol heads. You're heading for the village of Jubrique which is at 31.7 kms on the MA8301.

## **The first and second stops**

At 9 km there is a Mirador which gives some interesting information on the region as well as beautiful views of the coast and Morocco.

After another 14 km, at the turn off to Jubrique stop at the parking and find the first watering hole.

## **To Genalguacil**

Cross the village of Jubrique and reach the turn of to Genalguacil after 36.8 kms, take left to the village which is at 4.8 kms. Once the village reached follow the signs for the public parking, up the hill, through the top of the village, then down and at the end of the village take a sharp turn right, down the hill to the bottom of the village and park your cars.

Walk to the Plaza de la Constitucion at 50 meters, cross the plaza and go down the stairs behind a narrow portico. Down the little street you'll find bar El Refugio on the left.

## **To San Pablo de Buceite**

Leave the village as you came and when you reach the M 8305 go straight on towards Algatocin which you reach after 7.7 kms. Through the village, keep left and reach the main road Ronda to Algeciras, the A405 and turn left. You'll reach the turn off for the restaurant after 23.5 kms. The sign is on your right and says Estacion de San Pablo de Buceite and yes, we're having POCA lunch in the train station
